

THE CHOCOLATE FACTORY

**A HANDS ON GROUP BASED APPROACH TO IDENTIFYING
AND SOLVING THE PROBLEMS THAT DESTROY PRODUCTIVITY
DECREASE CUSTOMER SATISFACTION.**

A unique leadership team building program brought to you by **Tirian International**, learning and development experts specializing in helping leaders and teams to reflect on and find real solutions to their business issues.

The program help teams understand more about creative and innovative process improvement. The exercise simulates a factory production line on which participants get the opportunity to practice creative problem solving and find creative solutions to improve systems and processes in their own organization in a fun and engaging hands on experience.
